**Age 5**

Honorable  
Mention

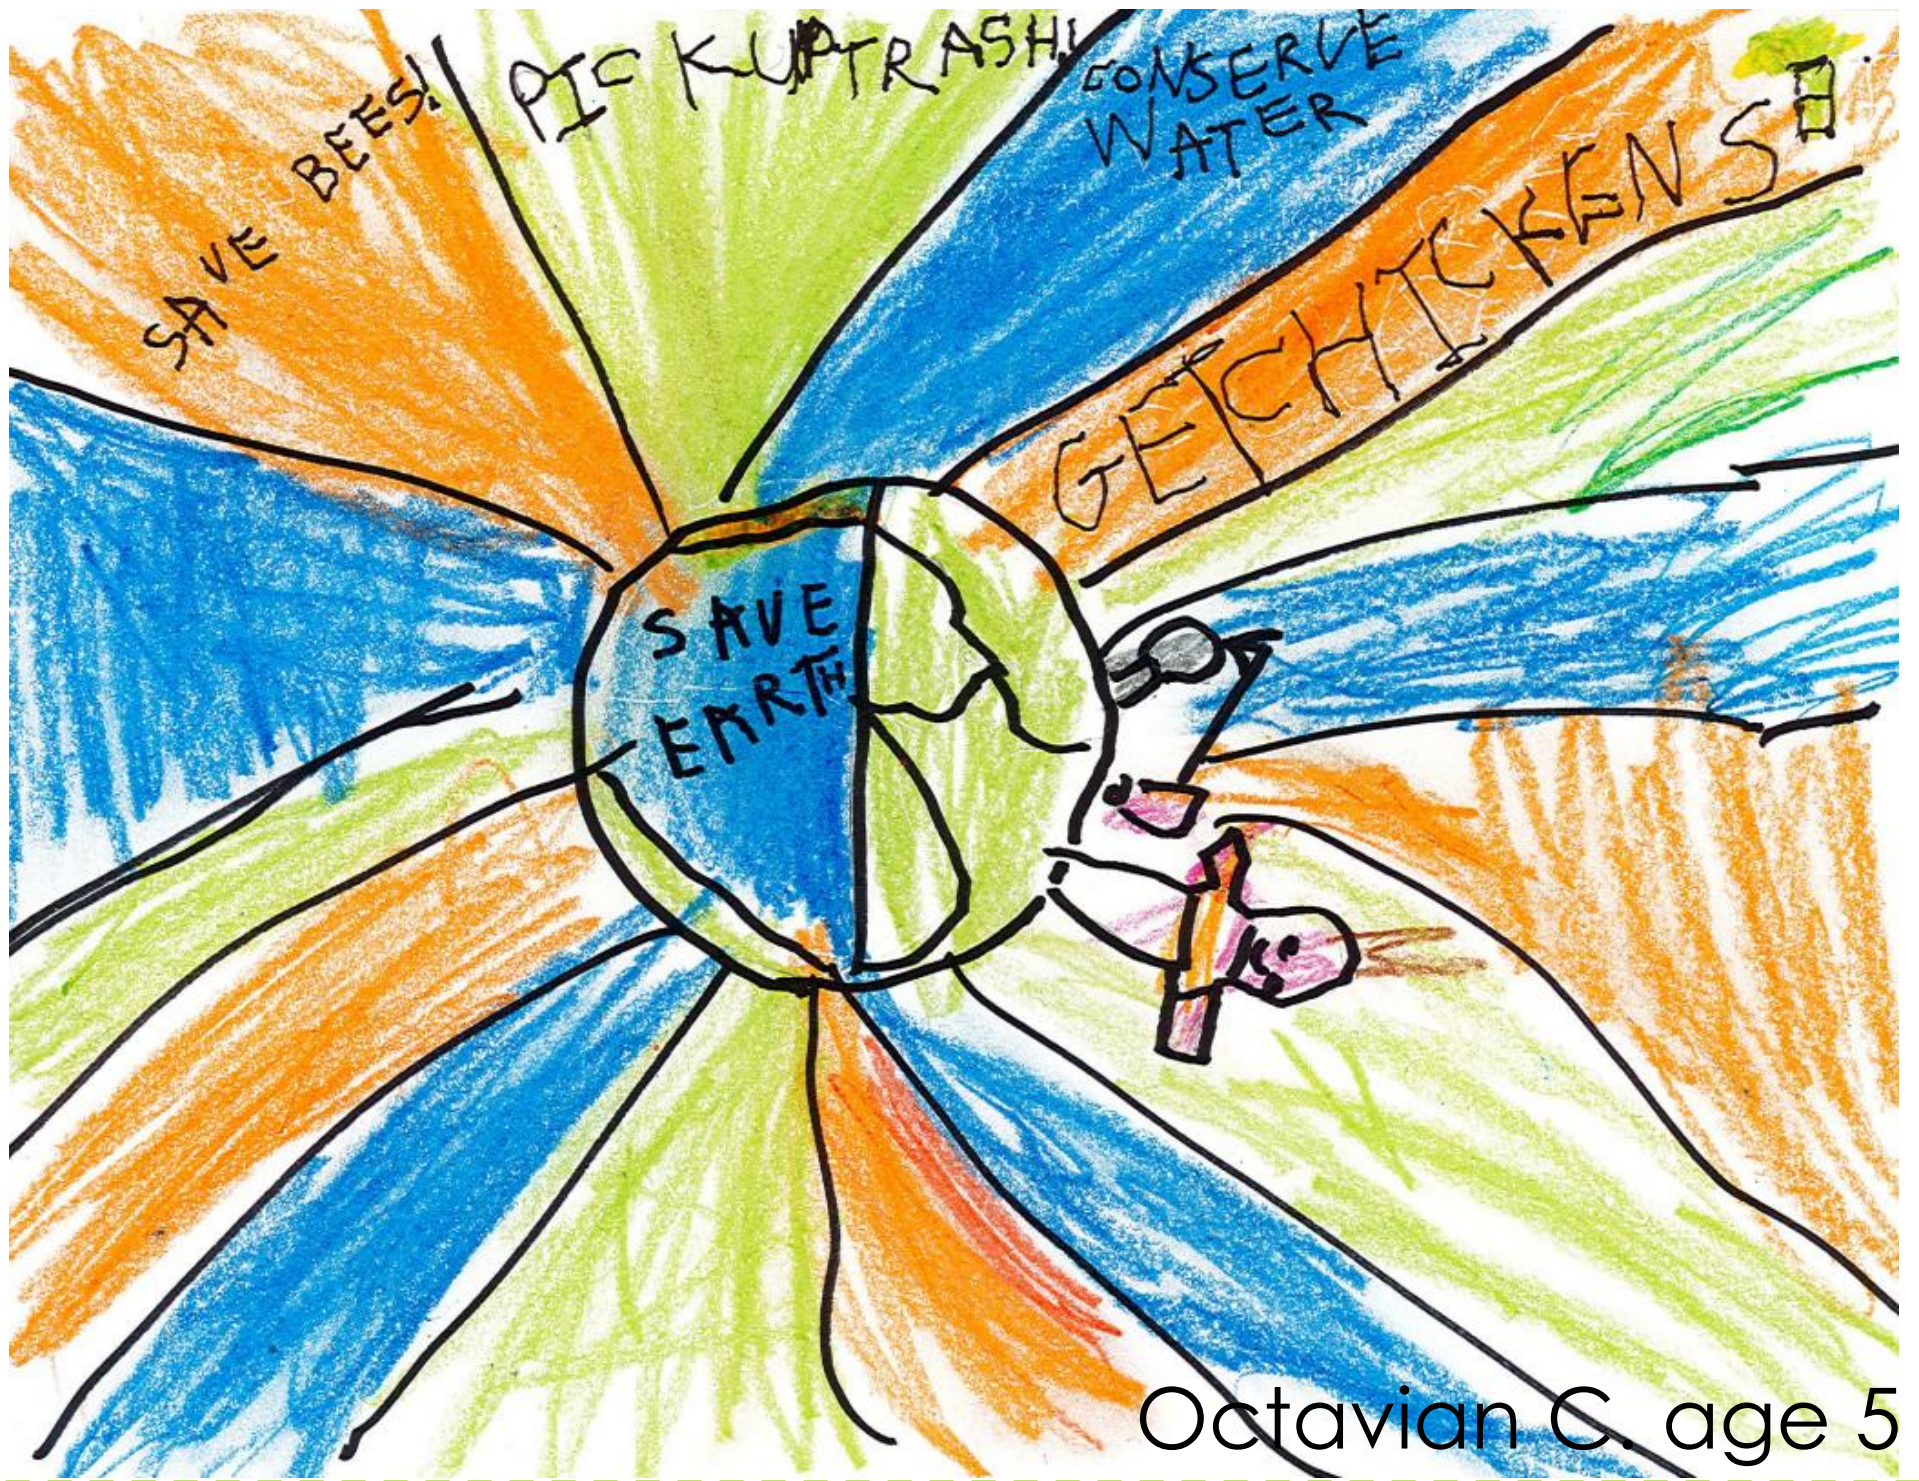

Carol A. age 5

I help take care of the earth  
by making homes for animals,  
like birds and honey badgers.  
I also help by planting trees  
and lots of food.

Carol A.  
Age 5

Octavian C, age 5

I take care of the earth,  
saving bees, throwing litter  
away, conserve water by  
taking short baths and  
showers and giving food  
scraps to my chickens to  
keep waste out of the landfill.

Octavian C.  
Age 5

Camdyn C. age 5

Picking up trash.

Camdyn C.  
Age 5

Plant

Ollie

Water

Ollie D. age 6

Ollie is planting tree seed,  
watering it, and taking care  
of it as it grows.

Ollie D.  
Age 6

Gracie E. age 6

I am picking up litter.

Gracie E.  
Age 6

Andrew E. age 6

I recycle because it is important for our earth. I pick up at the beach because it helps the pelicans not eat plastic and protects the fish.

Andrew E.  
Age 6

Landon G. age 6

I am picking up trash by our  
cabin. We are on vacation.

Landon G.  
Age 6

Vyvyann G. age 6

Picking up litter

Vyvyann G.  
Age 6

Charlotte H. age 6

Sometimes when there is trash in the grass, I pick it up and throw it away. I use the recycling bin at home. I don't leave the water running when I brush my teeth.

Charlotte H.  
Age 6

Anistyn R. age 6

I am picking up litter.

Anistyn R.  
Age 6

Colt S. age 6

I am picking up litter. I am  
picking it up by the church.

Colt S.  
Age 6

Melody S. age 6

Picking up trash off of the  
earth, with a city building and  
inset of Hawaii.

Melody S.  
Age 6

1st Place

Sovonna S. age 6

I help the earth by: plant trees, pick up trash, recycle and save water.

Sovonna S.  
Age 6

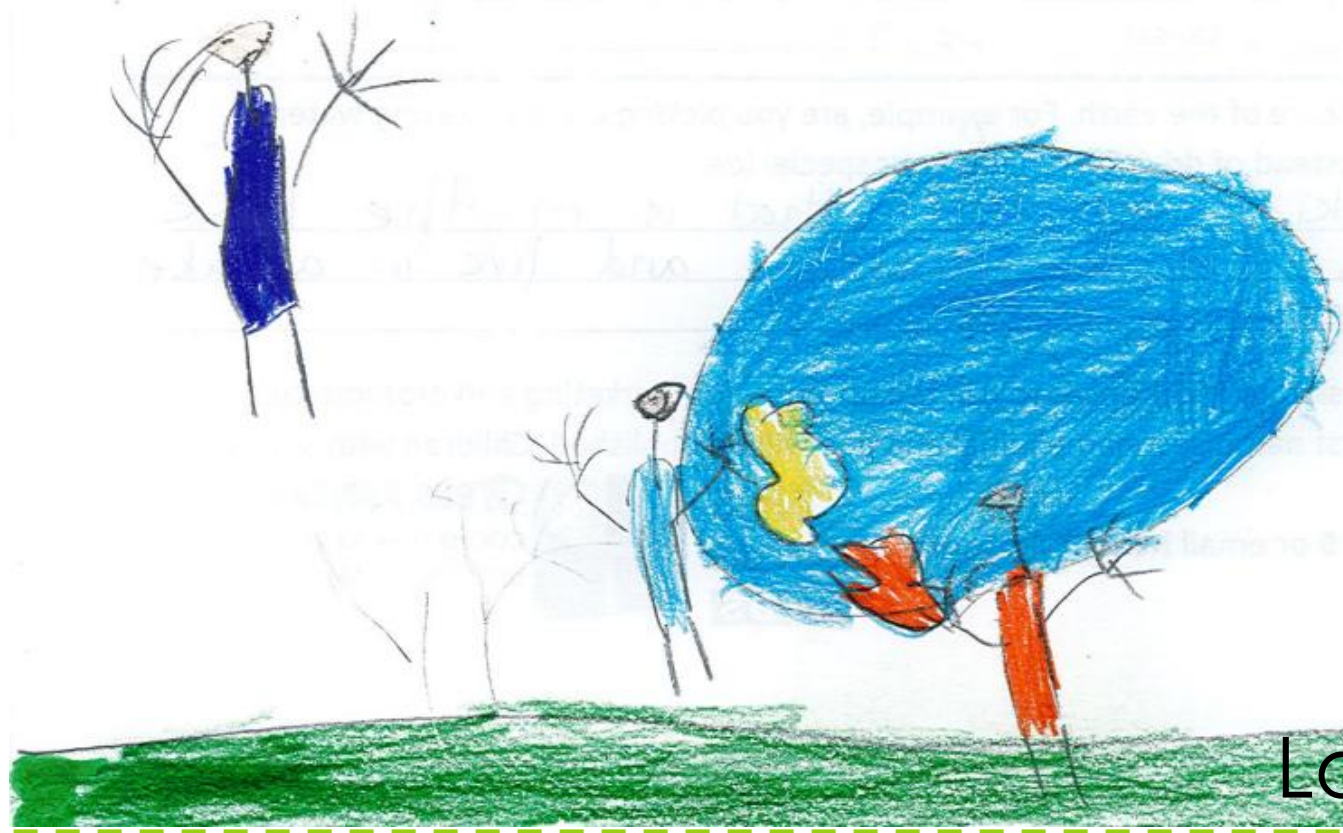

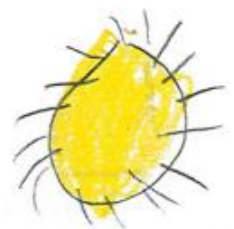

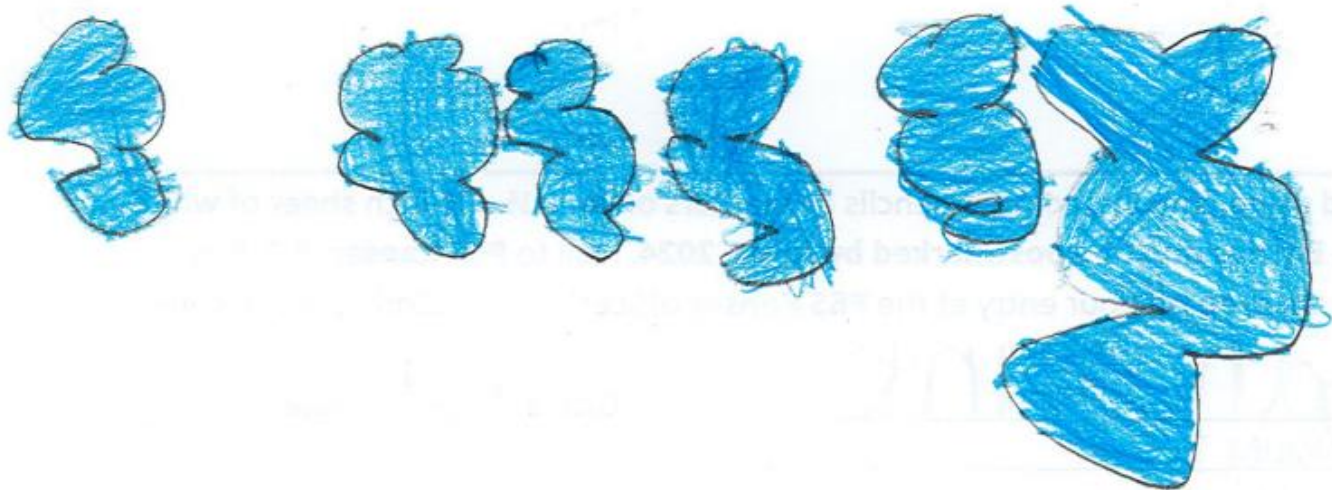

Ryder W. age 6

I am picking up trash, drinking  
out of a water bottle,  
recycling a cardboard box  
and a can.

Ryder W.  
Age 6

Logan Z . age 6

I am picking up litter that is in the lake. Then the fish can be healthy and live in a lake with no litter.

Logan Z.

**Age 7**

A child's drawing of a tree with a sign. The tree is drawn with brown pencil for the trunk and branches, and green crayon for the foliage. A large red 'X' is drawn over the tree. To the left of the tree, the words 'NO Climbing on Trees' are written in red marker. The drawing is enclosed in a blue border with a dashed green inner line.

NO  
Climbing  
on  
Trees

Estes A. age 7

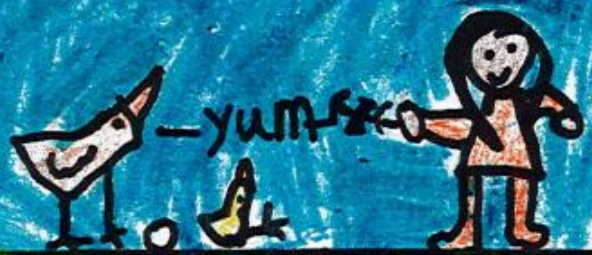

Protecting trees. No climbing  
on trees.

Estes A.  
Age 7

Give chickens  
Food scraps.

PLANT  
FLOWERS.

Clean water  
is important.

Pick up  
trash.

Evangeline C. age 7

I have 4 ideas. I give food scraps to my chickens. I plant flowers for pollinators. We need clean water. I pick up trash. I do not litter.

Evangeline C.  
Age 7

Gage C. age 7.

I am riding my bike instead of riding in a car. I am saving gas and helping the environment.

Gage C.  
Age 7

Grace C. age 7

Capturing water for our  
garden and creating habitat  
spaces for bugs by planting  
bushes and trees.

Grace C.  
Age 7

Brinley E. age 7

I planted a garden.

Brinley E.  
Age 7

Dayja G. age 7

picking up trash.

Rachael B.  
Age 8

Hannah C. age 8

I'm planting a community  
garden.

Hannah C.  
Age 8

Kash D. age 8

I am picking up trash on the  
side of the road.

Kash D.  
Age 8

look  
there  
is trash  
so I better  
pick it up

Quentin D. age 8

I am picking up trash to keep  
the earth clean.

Quentin D.  
Age 8

Melody E. age 8

I am picking up trash at the  
park.

Melody E.  
Age 8

Tynlee E. age 8

I am picking up litter after  
someone threw it on the  
ground. Then I am putting it  
in the recycle bin.

Tynlee E.  
Age 8

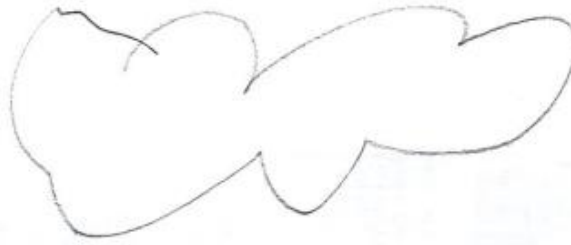

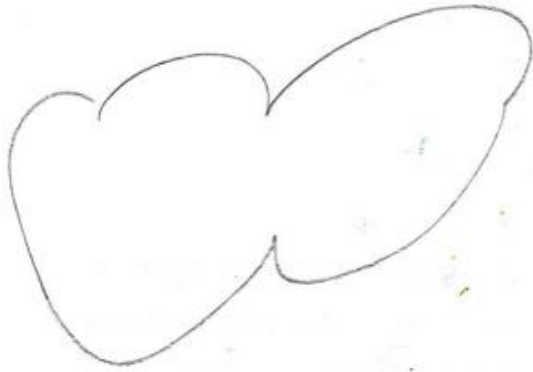

Vincent F. age 8

My mom and I are planting  
trees to help the earth.

Vincent F.  
Age 8

Lexus H. age 8

I am throwing away the trash.  
I am recycling.

Lexus H.  
Age 8

Ainslee I. age 8

I drew things that help the earth around the earth. I drew a garden with a tree, a recycling bin, a canoe (instead of a motor boat), a bike (to use instead of a car), picking up litter, and ducks in the clean water.

Ainslee I.  
Age 8

Bella R. age 8

I am picking up trash and  
recycle and putting it in the  
right containers.

Bella R.  
Age 8

Gentry R. age 8

I am picking up trash in the  
water. It is at the lake.

Gentry R.  
Age 8

Harlow R. age 8

I am picking up trash with a  
neighbor.

**Age 10**

Toni B. age 10

Picking up litter and putting it  
in a bag to recycle some.

Toni B.  
Age 10

Brandon C. age 10

Saving animals on earth who  
are in danger or needing  
care with my PBS Kids friends.

Brandon C.  
Age 10

Xavier C. age 10

I take care of the earth, you could to. Get chickens to eat food scraps plus you get eggs and you could stop spraying and make a garden for pollinators.

Xavier C.  
Age 10

Griffin C. age 10

He is planting a tree.

Griffin C.  
Age 10

Quincy D. age 10

I am picking up the trash.

Quincy D.  
Age 10

Colin F. age 10

I'll be picking up litter.

Colin F.  
Age 10

Iris H. age 10

In the picture I am watering the flowers so the bees can have food to eat like pollen and pollinate other plants. I used the water from the rain bucket to water the plants.

Iris H.  
Age 10

Dori R. age 10

I am picking up trash.

Dori R.  
Age 10

Whitley S. age 10

I'm planting trees.

Whitley S.  
Age 10

Skyler S. age 10

I am saving the earth by  
planting lots of trees.

Skyler S.  
Age 10

Gabriel V. age 10

I am picking up trash in a  
park.

Gabriel V.  
Age 10

Krenleigh Z. age 10

We can put lots of stones on top of a pile of garbage so it can ,make soil to make more tree and other stuff with the soil that's why everyone is cheering.

Krenleigh Z.  
Age 10

Kendall Z. age 10

I am picking up trash that  
blew out of a land fill  
because it is so windy.

Kendall Z.  
Age 10

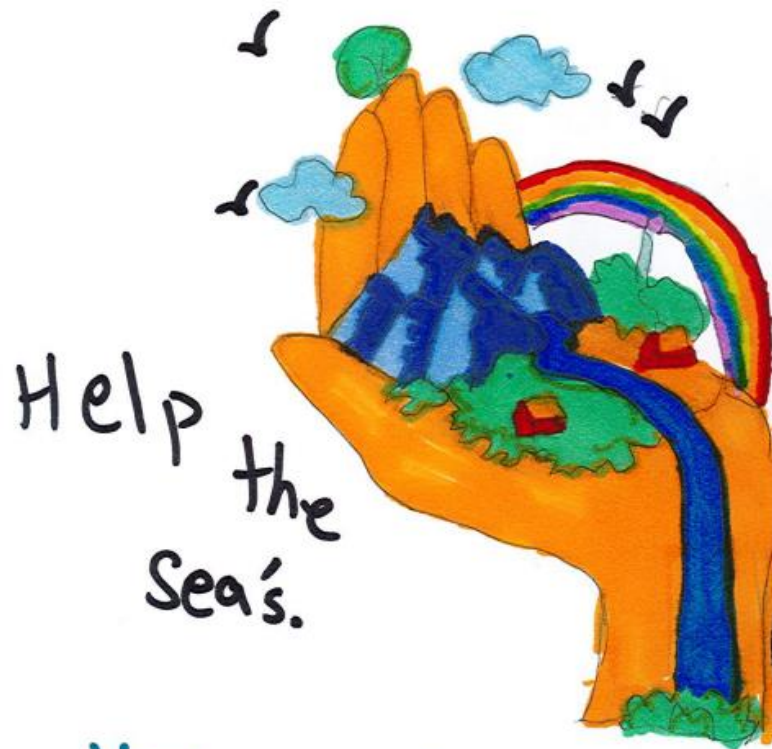

Lily Z. age 10

I drew me picking up trash  
and gonna plant new grass.

Lily Z.  
Age 10

Save the  
Mother Earth.

Help the  
Sea's.

You can save  
the earth by  
using the 3 R's

STOP the  
Climate change

Don't  
hurt  
the  
Animals.

Reuse  
Recycle  
Reduce.

Don't  
cut the  
Forests.

Prapthi Anick  
June 23rd

Prapthi A. age 14

I am planting flowers and plants because we want more oxygen than CO<sub>2</sub>. My special idea is I want to save water.

Prapthi A.  
Age 14
